Credentials. Diversity.

The company's long term business objectives are achieved by recognizing and supporting the interdependence among our customers, team members, and the businesses and regulatory bodies we deal with.

- Military/GSA
- Private Residential
- Corporate

- Diversified portfolio and a strong network with corporate affiliations
- Ranked #2 in the top franchise/systems supplier category in the 2014 Trippel report.
- Ranked #1 moving company by the Logistics Management Magazine readers for the second time.
- David Arpin, CEO & President of the company is a permanent Board Member of AMSA.

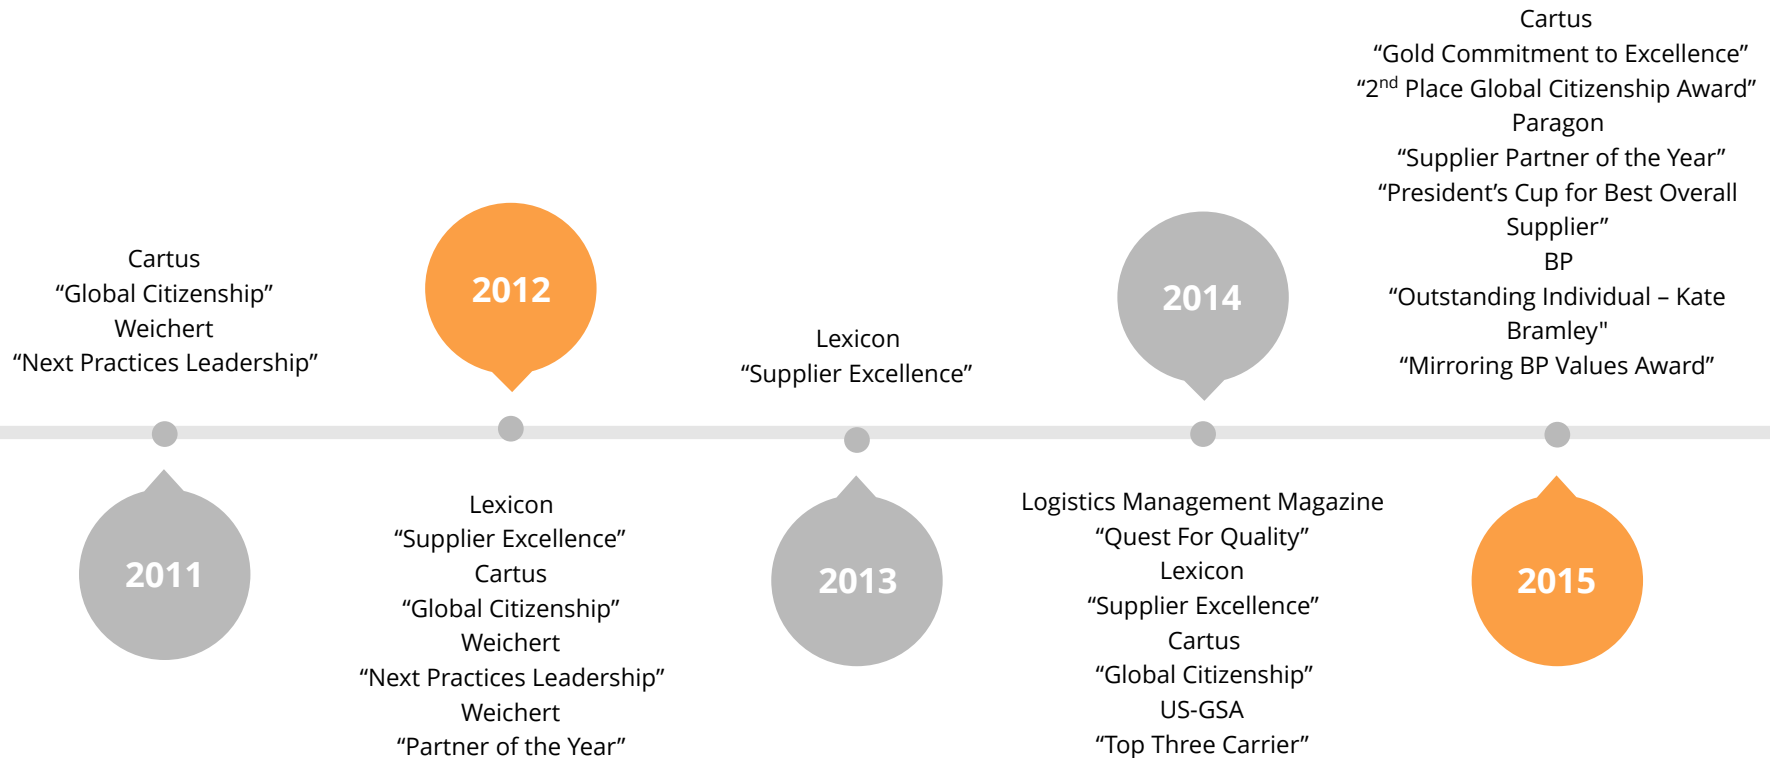

Quality Measured - ArpinACES[®]

- Our ArpinACES[®] (Agents Committed to Excellent Service) program is a tool that we have developed to formally measure our agents performance on an ongoing basis.
- Agents Service Quality Evaluation Scores posted system wide quarterly
- Silver and Gold and ACE level agents receive preferential assignment
- Extensive on line Arpin Moving Academy for training

Award-Winning Services

At Arpin Group, our core values of quality, trust, professionalism, and accountability are central to our culture. Evidence of our commitments are reflected in the accolades we are honored to receive year after year.

Corporate Social Responsibilities

Through our many different non-profit organizations and committees, we put into practice our "4Focus" system to maintain the balance between the corporate and social needs. These "4Focus" areas are Innovative Solutions, Ethics and Behavior, Environmental Health and Safety Community Service.
